Your Mare will be pasture bred. There is no fee for 30 days board. Half the stud fee is due when the mare is booked for breeding and the balance is due when she is pronounced in foal by veterinary exam or ultra-sound. The Mare owner agrees to have the mare pregnancy checked within 30 days after she leaves Concert Brass Farm.

Your mare must be barefoot and be caught easily from a large field. Unless she is a Maiden mare, she must have a pre-breeding exam and a negative culture prior to her arrival.

The stallion owner will not be responsible for any accident, injury or death to the mare, and the mare owner will not be responsible for any accidents, injury or death caused by the mare. For safety reasons, the visiting mare will not run with any other horses except the chosen stallion. Therefore, booking for breeding will be first come, first served, and only to a limited number of outside mares.

Should the mare not conceive, the mare owner is entitled to a return privilege, or substitution of another mare. Should the chosen stallion die or become unfit for breeding prior to the arrival of the mare, the booking fee will be refunded, or owner can select the other Concert Brass stallion.
